

Noctuidae: Groupe 2: Noctuidés à chenilles velues

Acronictinae: Acronictini

Acronicta afflicta

Acronicta albarufa

Acronicta americana

Acronicta clarescens

Acronicta connecta

Acronicta cyanescens

Acronicta dactylina

Acronicta falcula

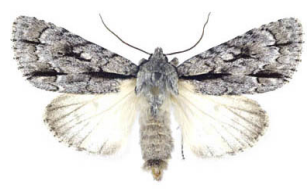

Acronicta fragilis

Acronicta fragilis

Acronicta funeralis

Acronicta furcifera

Acronicta grisea

Acronicta haesitata

Acronicta hamamelis

Acronicta hasta

Acronicta impleta

Acronicta impressa

Acronicta increta

Acronicta innotata

Acronicta interrupta

Acronicta laetifica

Acronicta lanceolaria

Acronicta lepusculina

Acronicta lithospila

Acrionicta lobeliae

Acrionicta longa

Acrionicta longa

Acrionicta mansueta

Acrionicta marmorata

Acrionicta modica

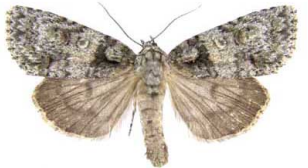

Acrionicta morula

Acrionicta noctivaga

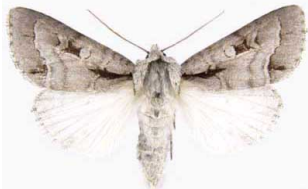

Acrionicta oblinita

Acrionicta ovata

Acrionicta perdita

Acrionicta quadrata

Acrionicta radcliffei

Acrionicta retardata

Acrionicta rubricoma

Acrionicta sperata

Acrionicta spinigera

Acrionicta strigulata

Acrionicta superans

Acrionicta tristis

Acrionicta tritona

Acrionicta vinnula

Acrionicta vulpina

Agriopodes fallax

Agriopodes geminata

Harrisimemna trisignata

Merolonche lupini

Polygrammate hebraicum

Simyra insularis

Bryophilinae: Bryophilini

Cryphia cuerva

Cryphia cuerva

Cryphia olivacea

Cryphia olivacea

Noctuidae: Pantheinae

Charadra deridens

Colocasia flavicornis

Colocasia propinquilinea

Panthea acronyctoides

Panthea gigantea

Panthea pallescens

Noctuidae: Raphiinae:

Raphia coloradensis

Raphia frater
